Dear Colleagues,

The last meeting at Hinduja Hospital witnessed high quality scientific deliberations. And I must congratulate all the speakers and participants for putting up such a brilliant show. I am sure, we will have more high-standard academic programs of this type as we move on into the remaining calendar year.

The Lilavati Hospital meeting on July 29th at Hotel Rang Sharda has two distinctly attractive features – excellent scientific program and generous hospitality. A unique combination of qualities that the hosts are well-known for. I can guarantee you will have a Sunday morning to remember for a long time !

I look forward to welcoming you.
