Monthly Clinical CME/Meetings for the Year 2012 - 2013

- 1st July 2012 - Hinduja Hospital
- 22nd July 2012 - Lilavati Hospital
- 26th August 2012 - J.J. Hospital
- 23rd-24th Sept 2012 - Skull Base 2012
- 27th Oct 2012 - Nair Hospital
- 2nd December 2012 - Jaslok Hospital
- 27th January 2013 - Sion Hospital
- 24th February 2013 - Nanavati Hospital
- 31st March 2013 - KEM Hospital
- 20th-21st April 2013 - Bombay Hospital & 11th Annual Conference
- May 2013 - No Meeting

Dear Colleagues,

The last two meetings of BNA were simply outstanding. The main highlight of the Sion meeting on January 27th was a guest lecture by Prof. Steven Flannagan from USA on "Diagnosis and Management of Medical Problems Associated with TBI". Prof. Flannagan also participated, along with the experts from BNA, in a panel discussion on traumatic brain injury, which was very interactive and interesting.

The meeting at Nanavati Hospital on February 24th was marked by the invited speaker, Dr. Rahul Kulkarni, Consultant Neurologist from Pune, whose talk on "Epidemiology of encephalitis in India" was very informative, and was appreciated highly by the members. The meeting also had a brief CME session on "Endoscopic anatomy of skull base" for residents and trainees. For the March meeting at KEM Hospital, Dr. Atul Goel and his colleagues have prepared a very interesting scientific program.

We are now also looking ahead to the annual conference of BNA on April 21, 2013. Two preconference workshops have been planned this year, a cadaveric spine workshop at JJ Hospital by Prof. Volker Sonntag, who is a pioneer in the modern spinal neurosurgery, and an EEG workshop at Bombay Hospital by Dr. Sanjeev Thomas. The scientific program of the conference has been planned meticulously to include interesting sessions like meet the professor, Guest lectures, panel discussion, Presidential oration, short presentations, and award papers for residents.

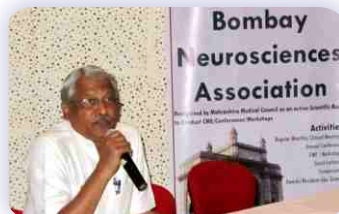

Special request to the members - to attend the Annual General Body Meeting in large numbers between 12:30-01:30 pm on April 21st.

We look forward to welcoming you at the annual conference.
