From Secretary's Desk

Dear Colleagues,

Wish you all a very Happy and Prosperous New Year, 2015.

I welcome you all to the very first clinical meeting of this year at Nanavati Super Speciality Hospital.

We have prepared a very interesting scientific program, which includes, CME lectures, free papers and award papers.

To add more excitement to the already crisp scientific program, we will have a Neuro-Oncology symposium which will be conducted by the experts from the Neuro-Oncology Group of Mumbai.

Like in the past, we promise high quality deliberations and excellent CME sessions in this meeting also.

A much deserved priority will be given to the presentations made by the residents and trainees.

Finally, let me remind you to book the dates of the annual conference (Sunday - 26th April 2015) and the preconference events.

Warm regards

Secretary
