The original NTF therapy
Cerebrolysin
Cerebrolysin Concentrate 10 ml Injection

GABANTIP-AT
Gabapentin 300mg + Amitriptyline 10mg tablets

Message from President

Dear colleagues,

It gives me immense pleasure to welcome you all to the first clinical meeting of the new season at PD Hinduja National Hospital on June 19th. Like previous years, we plan to continue monthly meetings at teaching hospitals in rotation and the annual conference at the end in April 2017. The EC will try its best to prepare interesting scientific programs for you every month. Since the main objective of these meetings is to educate the residents, trainees, and younger colleagues, the program is primarily based on CMEs and presentations by the resident doctors.

The feedback from the members is of paramount importance in order to make these clinical meetings truly meaningful. I appeal to all members to send their suggestions on how to improve the quality and attendance of these clinical meetings. I humbly request the senior colleagues to encourage the residents, fellows, and junior members in their departments to participate more actively in the clinical programs organised by BNA. We should also persuade our non-member colleagues to become members of BNA. Because only the elite members like you can make any organisation powerful and effective.

Lastly, I would like to thank you all once again for giving me the opportunity to lead this prestigious organisation for next one year.

Best wishes,

Suresh Sankhla
President, BNA

From Secretary's Desk

Dear Colleagues,

I wish you all well. We are starting the academic year under the able leadership of our Hon President Dr Suresh Sankhla. It gives me great pleasure to greet you all and wish you all a great time ahead.

Please find below the monthly BNA meetings schedule for the academic year 2016-2017. I request to kindly mark it in your calendar. Your active participation is very much essential to make these meetings meaningful and successful.

I request you to kindly update your postal addresses, phone numbers and email addresses with BNA office in order to communicate more easily and efficiently. I also request you to kindly encourage your colleagues and trainee doctors to become members of BNA.

In the year 2015-2016, we initiated some important initiatives like starting CME lectures by expert specialized in their respective fields, participating in various awareness programs related to neurological problems. Many of our esteemed members organized and conducted Meetings, Seminars and Workshops with great success.

In the current year (2016-2017), we are starting 2 scholarships for resident doctors for attending and presenting papers in National/ International meetings.

I request to approach me without any hesitation for any query or help related to BNA. I would be ready to answer or solve in my best possible capacity.

We have appointed Mr. Reji Pinto for assistance and secretarial work of BNA. He is contactable on his mobile-9920294700.

I am looking forward to meeting you all soon.

With Warm regards

Ketan Desai

Hon. Secretary
